Delcetto

Medium to lighter bodied red wines require a large bowl with a smaller opening.

The Sonnerie De Nuit design captures more delicate floral and fruit aromas found in Pinot Noir, Burgundy and Nebbiolo and other medium to light bodied red wines.

The pinnacle of the Crystal Direct portfolio, every Elite Handmade glass is individually and carefully mouth-blown and handcrafted from premium European crystal, creating a uniquely fine and balanced glass.

Unlike most of Crystal Direct's competitors, we still maintain a wide selection of handmade products and the Charmant glass can answer the question why. The extremely thin execution of so called "muslin quality" in combination with the demanding shape of this glass makes it impossible to be reproduced by machine.

Although Charmant will never replace more durable and affordable machine made product there are moments in life when you want to hold just this extraordinary glass...
